13th February 2023

Dear Parents and Carers,

We are excited to let you know that we will be taking part in British Science Week at school. Further details of our planned activities will be shared with you soon.

To help get us ready for the week, we have Dr Matt Pritchard, the Science Magician, coming into school to do a show called 'Surprising Science' on Friday 10th March. The show will be full of science tricks, stunts and puzzles and will encourage scientific thinking skills and critical thinking.

We are asking for a voluntary donation of £2.50 per child towards the cost of this experience. To make your donation, please look out for the 'Science Magician Donation' option in your payments tab on ParentMail.

Kind regards,

Miss Lisa Buffery
Executive Headteacher
