

Sustainability Strategy

The One Planet framework consists of ten simple principles that make it easy to plan, deliver and communicate our commitment to sustainability.

'Development that meets the needs of the present without compromising the ability of future generations to meet their own needs'

One Planet Principles	Our Actions	Further Action for change
Raise awareness of sustainability	<ul style="list-style-type: none"> • Whole School Assemblies - Cop 26 etc • School Senate/ Eco Committee focus for Action Plan 21/22 • Eco school award registration • Cross school senate/staff collaboration • Share sustainability actions on social media and newsletters 	Standing agenda item for SLT, professional services
