Overview

Detail	Information
Academic year that this summary covers	2024/2025
Date this summary was published	August 2024
Date this summary will be reviewed	July 2025
Name of the school music lead	Joanna Gibbons/Annabel Whitmore
Name of local music hub	Dudley

Manor Way Music Plan

This is a summary of how our school delivers music education to all our pupils across three areas – curriculum music, co-curricular provision and musical experiences – what changes we are planning in future years. This information is to help pupils and parents or carers understand what our school offers and who we work with to support our pupils' music education.

At **Manor Way** our music curriculum is planned for each year group and delivered by a specialist music teacher. The school curriculum for music for each year group is available for parents to see online. We plan bespoke music lessons, using the planned 'Kapow' Curriculum. This is the link to our music overview:

<https://www.manorwayprimary.org.uk/assets/downloads/subjects/MusicSubjectOverview.pdf>

We also have co-curricular provision from our local Music Hub Partnership with Dudley Performing Arts, school supports the personal potential of children through enriching experiences such as visits to see a musical in London, performing at Young Voices with the school choir, performing on stage with Windsor Academy Trust and in the local area at Care Homes, local businesses and Halesowen Township events.

Part A : Music Curriculum

EYFS	In the EYFS , music knowledge and skills form part of the three prime areas and four specific areas of learning and will be delivered as planned by the early years practitioners in line with guidance set out in the statutory framework for the early years foundation stage, published March 2021. The progression in music from EYFS to Key Stage One document below shows the knowledge and skills that pupils at the end of EYFS should have acquired and how these are built upon in Key Stage One.
KS1 and KS2	Units should be taught in the order detailed in the Manor Way 2022-2023 Music Overview Document. Pupils in Key Stage One and Key Stage Two will follow the National Curriculum Programmes of Study as set out in the National Curriculum. Children in Year 4 take part in weekly whole class instrumental tuition, where they learn to play the cornet.
Medium Term Plans	Medium Term plans are developed from the knowledge and skills identified on the knowledge organisers which set out the skills, knowledge and vocabulary to be developed for each unit of work.
SEND	Class teacher input is given via targeted classroom teaching (Quality First Teaching) where individual needs are planned for. All staff have high expectations of all pupils. They use what the children already know and use a range of teaching strategies to involve every child in learning. This may include using practical equipment or specific strategies, e.g. use of a reading ruler, concentration cushions. Through reviewing children's progress, daily gaps in their understanding or learning can quickly be identified and support can be put into place to enable them to make progress. Teachers plan, scaffold and/or differentiate work to closely match a child's ability. When a pupil has been identified with special needs, their work will be further scaffolded or differentiated by the class teacher to remove barriers to learning and enable them to access the curriculum. The use of specific resources and strategies will also be considered and used where appropriate. This may include the use of visual prompts, sensory audits, task management boards to chunk tasks and support children with memory difficulties. At Manor Way the interests of the child are always considered when planning the curriculum to ensure that children are engaged and enthusiastic about their learning.

Instrumental Lessons	<p>A wide range of instrumental lessons are offered outside of the music curriculum lessons via our local Dudley Performing Arts Music Hub.</p> <p>The lessons range from individual and group sessions.</p> <p>The instruments currently being taught are: drums, singing, guitar, flute, violin, keyboard and piano.</p> <p>Children who are LAC, receive Pupil Premium are offered free and subsidised music</p>
-----------------------------	---

	lessons
Whole Class Lessons	Whole class cornet lessons are taught to Year 4 by a member of Manor Way staff. Y1-Y6 Music lessons are taught by a music specialist/DHT
